

# China-Africa Economic Relations Analyst

Project Title	China-Africa Economic Relations Analyst
Project Summary	Research and analyze current developments in China’s economic relations with Africa.
Country	China

## Project Description

U.S. Embassy Beijing’s Economic Section is looking for an intern to monitor, research, and analyze China’s economic relations with countries in Africa. The intern will conduct open source research to develop weekly summaries of significant events in China-Africa economic relations. The intern will have the opportunity to draft policy papers in areas of interest, develop databases to track trade, investment, and cooperation with multilateral institutions, create country-specific fact sheets, and complete other written research documents. This internship is perfect for students interested in China’s growing economic influence around the world.
